

Fees

2.000 Fees Required for Dismantler License (VC §9262[b][1, 2, 3, 4])

A general listing of dismantler license application fees is available in the Dismantler Program Handbook on the DMV website at www.dmv.ca.gov.

The Dismantler Program Handbook describes the requirements to obtain a vehicle dismantler license from the Department of Motor Vehicles. It also lists the vehicle dismantler's licensing fees, renewal fees, and fees to change a vehicle dismantler's license.

You may also call the DMV's Occupational Licensing Section at (916) 229-3126 or contact your local inspector to determine fees for your dismantler license.

2.010 Failure to Renew (VC §§11508[c], 11717[c])

A dismantler's license should be renewed on or before the expiration date. Approximately 45 days prior to renewal you should receive a courtesy notice for renewal. If the license is not renewed on or before expiration, it can still be renewed within 30 days following the expiration date, upon payment of the annual renewal fee and a penalty fee equal to 100% of the original application fee. A licensee **cannot** renew after the 30-day period.

Mail renewal forms and fees to:

Department of Motor Vehicles
Occupational Licensing Section L224
P.O. Box 932342
Sacramento, CA 94232-3420

If you did not receive a courtesy notice for renewal, call the department's Occupational Licensing Section at (916) 229-3126.

2.020 Special Plate Renewal (VC §§9553 and 9554)

The fee for dismantler special plates when applying for a vehicle dismantler's license and the annual renewal plate fees are the same. Each special plate renewed after the expiration date of the plate is subject to penalties. For more information regarding special plate fees, go to the DMV website at www.dmv.ca.gov and navigate to "Vehi-

cle Industry & Commercial Permits” and then to “Occupational Licensing” and “Dismantlers” or call the department’s Occupational Licensing Section at (916) 229-3126.

In no event may the dismantler license or special plates be renewed after the 30 days following the expiration date. A new original application is required.

2.030 Service Fees (VC §§9263 and 11520)

A service fee (see *Miscellaneous Fees* below) will be charged in the following situations:

- Notice of Acquisition is not mailed or delivered to the department within five calendar days after acquiring a vehicle, when applicable.
- Vehicle is dismantled before ten calendar days have elapsed after mailing the Notice of Acquisition, when applicable.
- Report of Vehicle to be Dismantled, the evidence of ownership, and the vehicle license plates are not submitted to the department within 90 days after acquiring the vehicle. Refer to Chapter 7 for table of penalty dates.
- Failure to maintain separate business records of all vehicles acquired for dismantling. For further information, refer to Chapter 1 of this handbook.

In addition to a service fee, violations can result in an administrative action against the dismantler's license.
